About NIS America

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs including titles such as Disgaea, Phantom Brave, and Makai Kingdom.

In 2003, NIS America was established in Southern California to publish exciting and innovative game titles for North America. NIS America's team members devote themselves to the fans. Our respect for our fans is at the heart of everything we do. As a growing strategy RPG publisher in the U.S., we are committed to continuous improvement and dedication.

About Idea Factory

Based in Shibuya-ku, Tokyo, Japan, Idea Factory is a multimedia/game software developer and publisher. Since the launch of its very first PlayStation® title in 1996, Idea Factory has been developing revolutionary Strategy RPGs like the Generation of Chaos series and Spectral Souls series. Both series are highly praised in Japan for its unique and engaging play style. Today Idea Factory continues to offer entertainment that crosses both nations and generations.

Cross Edge is an RPG co-developed by Nippon Ichi Software, Idea Factory, Gust, Namco Bandai, and Capcom, featuring infamous characters from each company's games. Some characters featured in the game include the following:

Etna: Disgaea, Aurica: Ar tonelico, Marie: Atelier Marie, Meu: Spectral Souls, Morrigan: Darkstalkers

Gamers can expect battles between the various game characters and an extensive synthesizing system to indulge in for hours to come.

Key Features

Main Characters from 5 different games: Cross Edge features infamous characters from Disgaea, Darkstalkers, Mana Khemia 2, Ar tonelico, and Spectral Souls.

Action Battle System: By pressing the ○×△□ buttons accordingly during battles, you can do various attacks for chain combos and special skills.

Costume Change: Changing the costume will not only change the character's status, but you will change the actual appearance as well.

Action Dungeon: Unlike ordinary RPGs, Cross Edge features side scrolling action dungeons. Here you can jump, run, and search for various treasures like in an action game.
